

The story*

I will tell you some things about this girl, Stefana. She is 11 years old. She has one brother, Pavel, who is 14 years old. Their sister is called Lenka. She is 8. Their parents love them very much. Their mother, Ana, cooks very well, especially cakes. Their father, Justin, likes to play basketball. He is tall, as tall as his own father, Ian. Ian is married to Elisabeth. They like to raise animals. But they live far away from Stefana's house. Stefana has two other grandparents who live in the same house with her. Ivanka, the mother of Stefana's mother, is old but she is very funny. She makes a lot of jokes. Her husband, Vladislav, likes to plant trees. He already has 50 apple trees.
